New to the farm ~ 'Zeb'

Pictured left is our donkey foal, **Zeb**, born 27th June last. Zeb is a delightful male foal, with unusual striped markings on his legs, which resemble those of a zebra. We're pleased to report that Zeb, his sister, Chocolate & his Mum, Silver, seem to revel in the attention lavished on them by our guests.

Zeb likes to play chase with his sister and charge through the flocks of crows that land to feed in his field.

Silver is expecting another foal, due mid 2007.
